

Yamaha entered the golf cart industry in 1979 manufacturing electric and gas vehicles including personal, multi-passenger, rough-terrain and off-road utility vehicles. Known by their slogan 'The greenskeepers'choice' Yamaha has become a major factor in the golf cart industry and are known for the durability of their golf carts. All accessories such as rear flip seats, lights, lift kits etc., to name a few, are available and many of these are stocked by Classic Carts.
